Because we are called to be leaders in the Journey House Campus Ministry, we covenant with each other to conduct our life together at Journey House in a manner that promotes a community of faith.

- I will participate actively in the life of the campus ministry, working cooperatively to learn and grow from my experience.
- I will serve as a Peer Resident, assisting with programs and attending training/house meetings. I understand that my work as a Resident will average approximately four-five hours per week. The work will include regular and special events, and assistance with ministry programs.
- I will attend and actively participate in Peer Resident orientation and community building activities at the start of the school year. The date of this training will be published on the UW-RF calendar.
- In order to actively participate in cultivating cooperation and community at Journey House I commit to participating in monthly meetings with the Campus Minister. This time will be used for check-in, concerns, reflection and planning.
- I will participate regularly as an active member in programs at Journey House.
- As a Peer Resident, I will serve as a representative of the Journey House. In the spirit of inclusiveness, I will welcome all people who enter the house when I am here, and I will work to meet and include others in Journey House events and not exclusively be with my circle of friends.
- I will treat all people with dignity and respect.
- The upstairs is the private area for Residents living in the house. I will respect my housemates' privacy and belongings, and will cooperate with them to keep the upstairs common areas clean. I am responsible for keeping my own room clean and in good repair.
- I will not use or store alcohol and/or illicit drugs in the house or on Journey House property, realizing that such behavior is contrary to the practices and disciplines of the Wesley Methodist tradition.
- I will pay rent on or before the fourth of each month.
- If I experience or notice problems or difficulties at Journey House, or if I have any questions regarding my responsibilities as a Peer Resident, I will talk to the Journey House Campus Minister as soon as possible. I understand that I may also talk with the current Journey House Board Chair.

- I understand that this Covenant Agreement is for one year only, and I will need to reapply next year. I also understand that my performance as a Peer Resident will be reviewed each semester and if I am not fulfilling my commitments, my resident agreement will not be renewed.

I have carefully read and understand this covenant. As a Peer Resident for the 2020-2021 school year I agree to abide by this covenant and the policies and procedures as stated in the Resident Handbook. I commit myself to living cooperatively and respectfully, with openness to growth.
